

# Board "buy" Board

It's really quite simple. We're selling individual boards to fund the floor in *Our Community Center*. And there are lots of them so you can buy as many as you'd like, as often as you'd like.

Boards can be purchased to celebrate your child's days on the floor, to memorialize a loved one, to honor the dedication and commitment of a player or just for fun. Donors' names and tributes will be inscribed on a miniature version of the floor and placed on display in a prominent place in *Our Community Center*. Everyone enjoys owning a piece of the action and now is your chance.

So, get on board and buy a board. It's that simple.
